SCOPE OF ADDENDUM

Question and Answer

Q – Considering there are two positions, are you interested in only two candidates or are we able to submit up to two candidates for each position (4 candidates in total)?

A – Neither of the above. The RFO indicates on Page 10 that “Each vendor is limited to the submission of one (1) proposed resource in response to this Request for Offers.” The RFO also notes on Page 1: “Seeking two (2) resources. The two selected resources will not be from the same vendor, as vendors will be limited to the submission of one candidate in response to this RFO.” Please follow these directives, namely, that **each vendor may submit only one candidate in response to this RFO.**

This addendum shall become part of the RFO and should be returned with, or acknowledged in, the response to the RFO.
